the tiger buries within us

Mathematics and Science Class of 2002

## Dedication

Normally, a dedication would be to people who helped us get this far...in our education, about our future goals, about what we're going to do when we leave here...but, that is irrelevant right now. This dedication is for something of a much more valiant nature. By crafting this tome, we bestow this yearbook upon every person who has suffered in the recent massacre at the World Trade Center and the Pentagon in Washington D.C., which were deplorable and fear-provoking events that touched the hearts of those around the world.

We witnessed the latest perilous calamity hitting the soil of our nation, unnerving the minds of many all over the world, whilst bathing in the tyranny of terrorism, done by sadistic maniacs, most of the people who survived physically unscathed, have to pick up the pieces. Most of the world probably feels that whoever did this horrific act, felt no remorse, nor has shown the ethical piety that we all must possess. They lack even the living fibers to show sympathy or mercy for harm to the innocent. That *shall not be forgotten or forgiven*. And the survivors have to live with it, live the soreness and grievances of losing loved ones out there. The attacks on the *blood of our society* reveal a cowardice that shall not be tolerated. Whoever did this type of human annihilation may have destroyed American landmarks, symbols of our country, but they *cannot* destroy our unity.

We as young adults...as leaders of the next generation, we thank the valiant men and women who have given up their normal lives to rescue those buried under granite and steel. We thank those around the world who have given something of their own to help others. Those who have died here, shall be remembered...those who have sacrificed themselves to save others, shall be known. Those who mourn, for the many deaths of family and friends...you have the right to weep. You have the right to feel righteous anger towards the guilty. The people in New York deserve to be honored for their chivalry. You deserve to be called true heroes. To the victims, we feel the pain of the terror that struck. And for those out there, doing sick things like this, *if* you do something this bad and succeed, it will lead to your ultimate downfall.

# The Tiger Burns Within Us

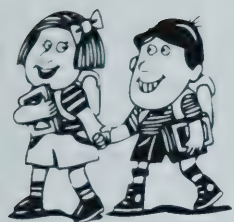

In a tempest of hot flames, a tiger emerges dominant in its existence, victorious in battle against all oppressors, a survivor of all obstructions that get in its way. That's what this symbol you see represents, the inferno that shall burn everlastingly in remembrance. We tigers are now ready to face the oppression of a changing world, we will *not* allow ourselves to be endangered like our majestic counterparts. Are we prepared to take the high mountains and look down upon our young cohorts who have looked up to us like leaders? Answer...yes. We will set an example for our young siblings and the young inquisitive minds that will have to walk the same road.

In our lives, as tigers, we have *bled* our energy and mental power, in order that we and everyone else can achieve...we pounce, in order to break through the captivity of life in a complex world. We don the stripes now, complete as the circle...(once a tiger, always a tiger). We see the youthful students in the *den*, who are proudly feeding off our influence, waiting to be given their stripes. But when we leave here...when we leave high school life, they will take our place. As we move on, they will don the stripes of blue and white.

Since we seniors were young, most of us have dreamt of following our parents... into adulthood. Now, the inferno that was then only a small flame in yesteryear has grown from what our predecessors passed on to us, to the torch of flame we pass on to those who follow us.

As we approach our future, the burning animal inside of us will scorch the competition, to ensure success in our own lives. The flames that engulf us will *not* be extinguished nor dampened by failure, or submission. If you look in our eyes, you will see the fire as we now go our separate ways. Why? Because still and always...the Tiger burns...within us.

Dear Senior Class of 2002

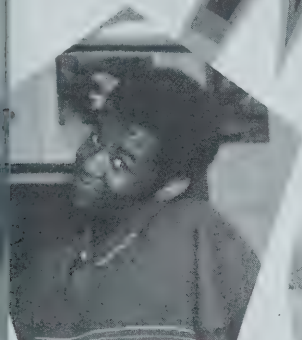

"Just when we think it's the end we are really just beginning!" It has been four long and for many of you six long years coming. We are closing on one chapter, while at the same time beginning a new chapter in our book called "The Road to Academic Success." Our completion of high school is an achievement that as students we should be extremely proud of. High school has been a challenge for each of us in our own individual ways. However, our years of hard work, time, patience, and effort have finally paid off in a tremendous way. For some of us college will be our next stop, for others it is the working world, reality. Either way, we are embarking upon new experiences that will make us apply the skills we have acquired during our high school experience, as well as help mold us into the successful and prosperous individuals that we can all potentially be. On that note I wish each and every one of you the best of luck and success in your future, no matter what your endeavor.

I thank you for electing me as your class president and allowing me the opportunity to serve as your representative. It was challenging to say the least, but it was also a worthwhile experience that has helped me as an individual in my own right today. Being your senior class officer was a team effort, hence, I would like to thank the senior class advisors, Mr. Macleod in particular and the other officers, especially Raphy Cuevas, for their assistance. Without your help, I do not think our senior year would have been as successful. I want to give a special thanks to all the students who helped and supported our class in various ways. Life in itself is a learning experience. As we continue on "our road", we will be confronted by many obstacles, we must apply what we learned and the rest we shall learn through experience. But just remember in the end we will not be judged by how much we have accomplished; I think Theodore Roosevelt said it best, "Do what you can, with what you have, where you are."

Haitian Club From Left to Right: Lisa Cole (Secretary), Roselyne Bodkin (President), Mica Gustin (Vice-president), Jenny Vilme (Treasurer)

Here are the Haitian Culture club members in their wonderful outfits, truly representing the colors.

Are some of you tired of seeing boot camp films, with them marching ordered steps? Well, feast your very eyes on the "O'Bryant Step Squad" -- perhaps at practice.

Just like cheerleading, this is just as fun. With excellent choreography. "Move to your funky beats".

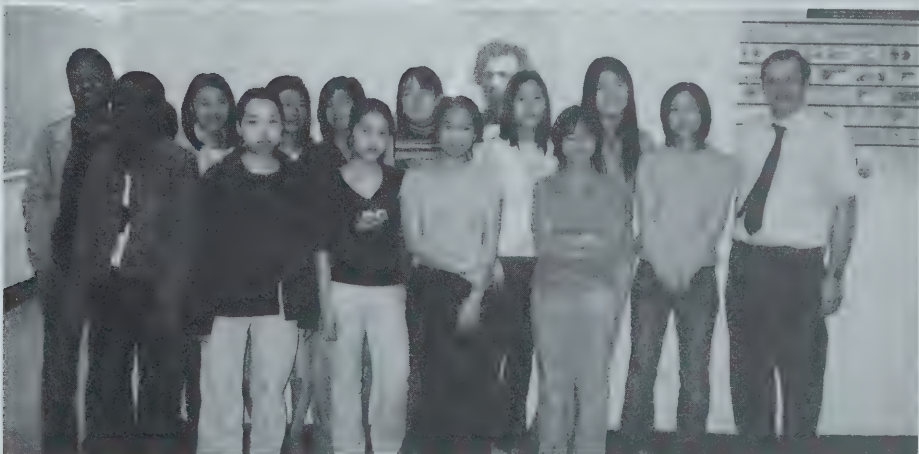

And how about a group photo of inspiration before a long practice.

They coolly march to their own beat...with various music. Aren't they awesome? Their steps say bring it on!

Here is the ringleader of this fantastic and talented group, Ms. Jordan.

Shall we see the members of the Student Council officers? Really? Okay?  
 President: Carrie Hui (Back row, right), Vice President: Marchaun Morrison (not in photo),  
 Secretary: Qi Ling Zhou (Back row, right), Treasurer: Chau Vong (Front row, left), Staff  
 Advisor: Mr. Hecht

# Asian Culture Club

Check out the Asian Culture Club at their most recent event, entitled "Asian Night". Wasn't it so fun? A scene from a traditional dance.

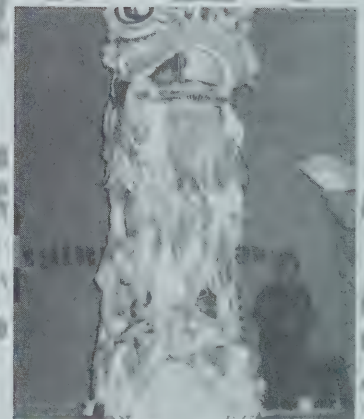

Here they are again...at a different angle. This group is so stunning

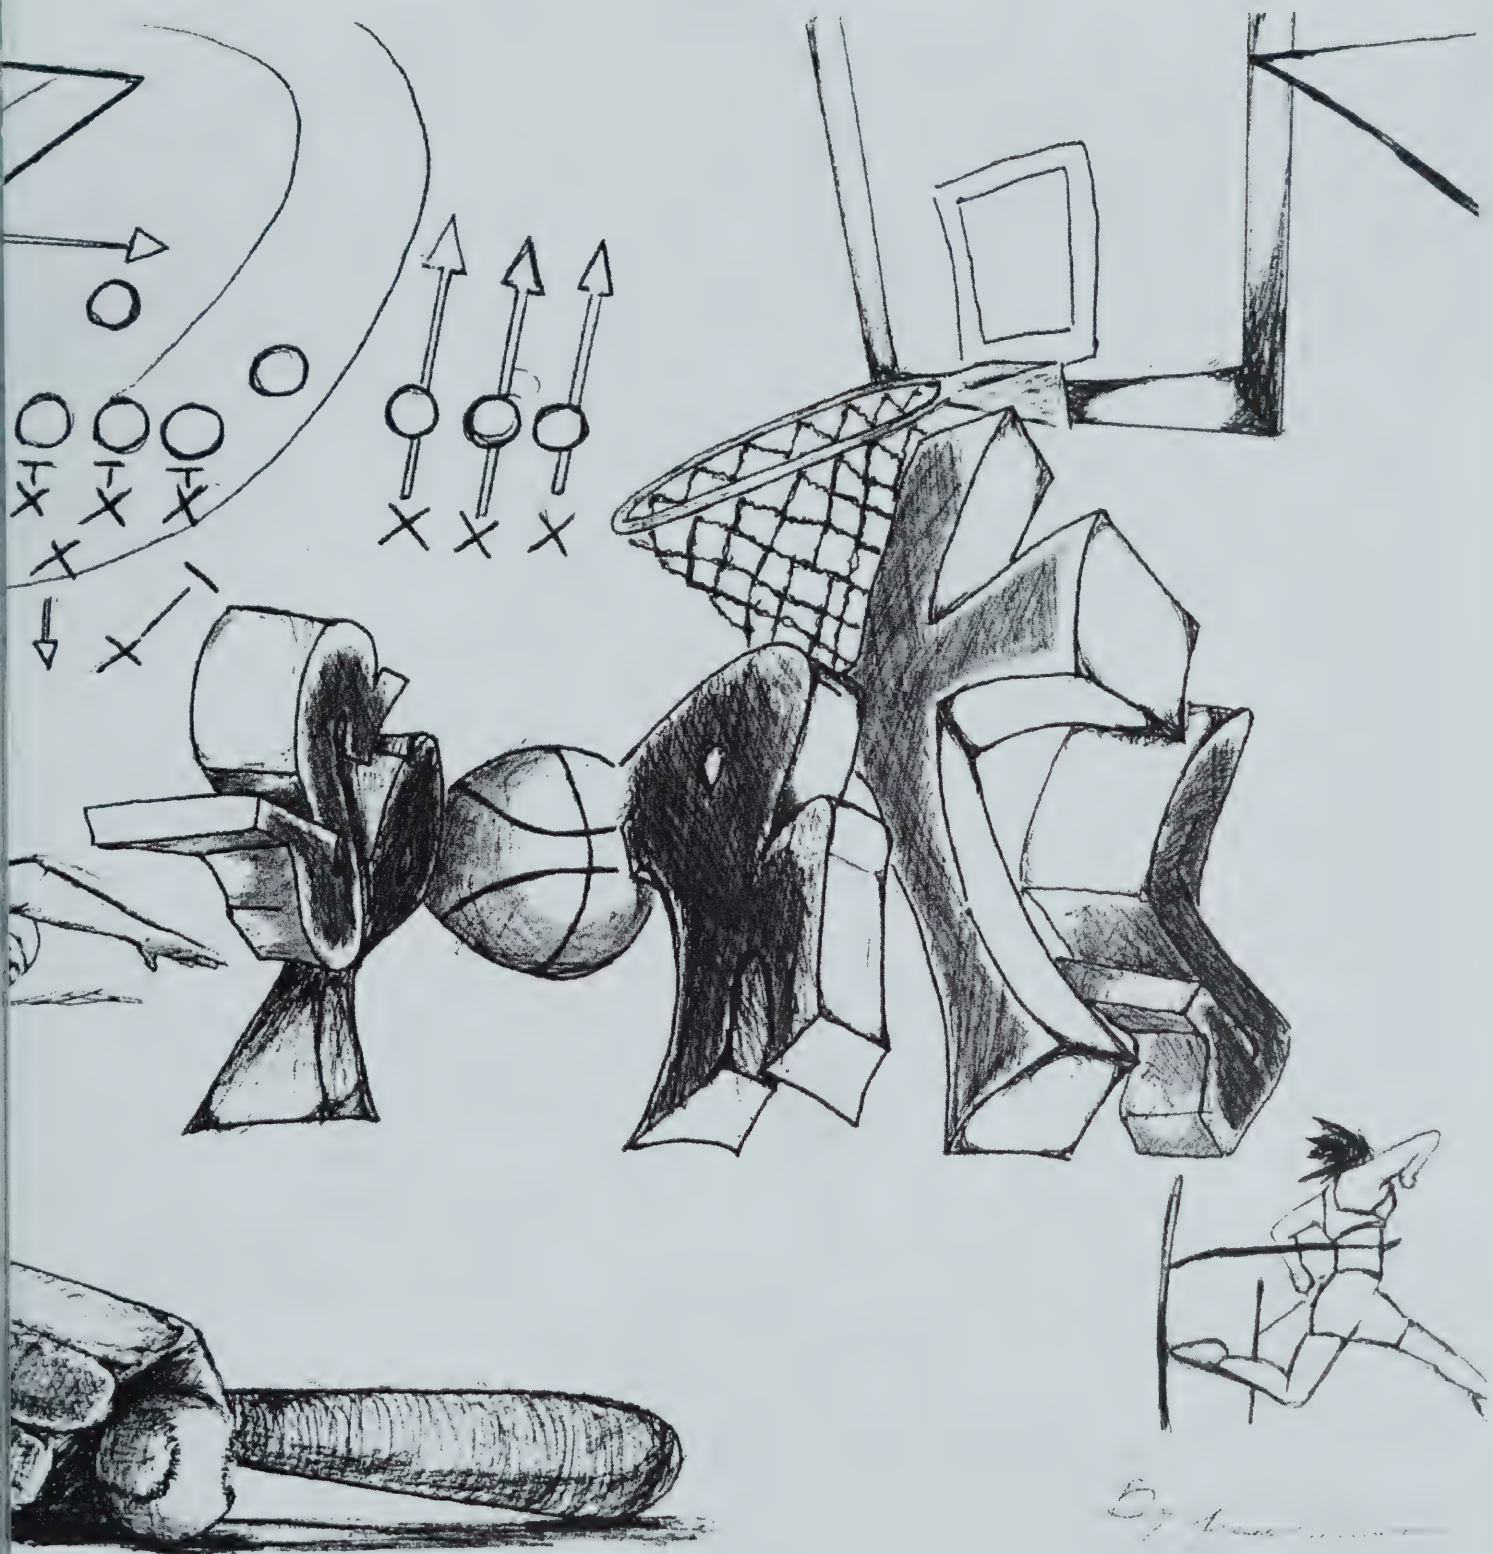

The Asian Culture Club is brought to you in part by:  
The John D. O'Bryant High School, featuring...  
Tuan Dang (President), Qiling Zhou (Vice president),  
Quoc Thai (treasurer), Khoa Phan (secretary), Binh Vu and  
Thuy Nguyen (Activity Coordinators)

I did not know that Lions can dance. This was an excellent display of talent and pure heart. Excellently prepared.

The lion pounces with a "dancing roar", courtesy of the Asian Culture Club.

## "Milestone"

### "Reflection on Life"

We all travel incomprehensible distances seeking out what and who we are. Our steps may falter, that's why we have others to turn to. When the fork in the road goes on forever without end remember, that others have trampled along the same path, and this is why we are called human.

- Aaron William Gallo

Some came in '97  
Even more in '98  
Now we all leave as one, as we graduate.

Congratulations to all  
Because we made it through  
Be proud to chant, "The class of 2002"

-Camille Britton

### "Untitled"

~I thought I'd never make it and I still have some doubt.

A cub leaving its mother and not knowing what life's about,

~That day is almost here because time went by too fast.

I remember in the beginning I thought, "How long could this possibly last?"

~Our time here was pleasant, yet stressful and so fun. So imagine the feelings we'll have when all of this is done.

~Confused about where to go now because O'B is all you've known.

Paying bills and getting a job is the next step when you're grown.

~So good luck fellow classmates keep your heads up and don't forget,

You have a lot to look forward to, and MOST you won't regret.

-Tenika Cummings

### "Untitled"

I can remember our high school years  
Silly fights and made up tears.

Friends we made and friends we lost  
Friends we kept along the years.

Tests we weren't prepared to take  
Retakes that we couldn't make.

A teacher that you once had.

A teacher that made you mad.

Classes in the Science Building, classes on the third floor.

It didn't matter they were all a bore.

Arizona was the spot

If you remember or not.

In the cafeteria we had to wait,

When coming into school late.

Friends that we passed by in the halls,

Or just chillin' on the wall.

A see ya or peace out,

A yell or a shout.

The time has come for our last

Goodbyes & I cry...

P.S. I love all of y'all. Keinah will miss each & every one of y'all. One.

- Keinah LaPointe

*"It's Time"*  
(Graduation Song)

The years, the months, the weeks, the days, the hours  
have passed us by.

It's hard to believe how quickly time did fly.

It seems as though just yesterday we just met.

Today is the day we'll never forget.

Now we must go our separate, separate ways.

We'll meet again one of these days.

Until then:

It's time to say goodbye to each other.

It's time to prepare for the future.

It's time...

As we graduate on this day please remember:

The memories are for us to keep forever.

Yesterday seems so far away as we move towards

Tomorrow. The time came and went.

I hope you made the most of it.

Use what you learned.

It's time to say goodbye to each other.

It's time to prepare for the future.

It's time...

Passing through the halls, laughing at lunchtime,

Are memories I recall and they're held in my mind.

The friends we made, the fights we had,

Some things we said we can't take back,

But now, right now,

It's time to say goodbye to each other.

It's time to prepare for the future.

It's time...

The years, the months, the weeks, the days, the hours,  
have passed us by.

*-Iris St. Meran*

*"Untitled"*  
(Dedicated to the Class of 2002)

Graduation is coming near

It's almost the end of our senior year.

June 14th is the day we will get our glory

That's the day we won't have to worry.

So when it's time to wear those caps and gowns,

Wear them like kings and queens wear crowns.

You are no longer considered a young girl or young  
boy.

Show your friends and family your pride and joy.

It's time to grow up and move on with our lives.

Start using our minds and open our eyes.

We didn't all get along while we were here,

But I want to let it go during this last year.

I'm not saying we're friends, I'm just not holding a  
grudge.

I wish the class of 2002 good luck and lots of love.

*-Christina Maryland*

*"Our Travels"*

The long journey of high school...

At its very end for us who shall go...

To unveil the thoroughfare of our futures...

So we can be the next generation...

When we leave each other's visions...

We will remember each other's abilities...

Personalities that make us unique...

And live without evisceration of wonderful high  
school memories...

Once we are set, we will go on our course of success...

Whether it is in college or doing your own destiny...

But on our travels, let's not forget each other...

Who we are is down the road...

I will miss you all on our travels.

*-Kashif C. Riley*

**“WHAT EVERY STUDENT SHOULD KNOW  
ABOUT SURVIVING HIGH SCHOOL  
(THAT YOUR PARENTS DIDN'T TEACH YOU!)”  
BY: IRIS ST. MERAN & MARIA TEIXEIRA**

NEVER PROCRASTINATE

DON'T WAIT UNTIL SENIOR YEAR TO SET YOUR PRIORITIES  
(I.E. AM I GRADUATING OR NOT?)

IF YOU RUN YOUR MOUTH MAKE SURE YOU CAN BACK IT UP.

MAKE FRIENDS NOT ENEMIES WITH GUIDANCE COUNSELORS &  
TEACHERS...YOU'LL NEED A RECOMMENDATION.

IF YOU'RE GOING TO TURN AN ASSIGNMENT IN LATE, NEVER EVER DO IT IN  
FRONT OF THE TEACHER.

KEEP FRIENDS CLOSE AND ENEMIES CLOSER.

MAKE SURE THE SIGNATURE ON YOUR FAKE HALL PASS IS NOT LEGIBLE.

RESTROOMS HAVE THE BEST CELL-PHONE RECEPTION.

IF YOU'RE GOING TO DO LUNCH AT DUDLEY, MAKE SURE YOU TAKE ORDERS!

IF YOU'RE GOING TO TAKE PERSONAL DAYS DON'T TAKE ADVANTAGE OF IT  
BECAUSE YOU MAY FAIL!!

MAKE SURE WHEN YOU PLAN ON SKIPPING THE TEACHER DOESN'T SEE YOU  
EARLIER THAT DAY...DUH!

RECYCLE: WRITE PASSES IN PENCIL SO YOU CAN REUSE THEM.

FIGHTING IN SCHOOL IS FOR PUNKS... TAKE IT OUTSIDE!

PICK EASY ELECTIVES YOUR SENIOR YEAR, YOU'RE ALREADY OVERWHELMED.

WHEN WRITING NOTES, DISPOSE OF THEM PROPERLY... WHEN IN DOUBT,  
WHITE IT OUT.

IF YOU'RE GOING TO KEEP BACK, PLEASE DECIDE WHICH YEARBOOK YOU'RE  
GOING TO BE IN.

WHOEVER SAID “CHEATERS NEVER PROSPER” WAS MAD BECAUSE THEY  
LEFT THEIR CHEAT SHEET AT HOME.

PLEASE NOTE: PERFUME AND BODY SPLASH DO NOT TAKE THE PLACE OF  
SOAP AND WATER.

WAKE UP SLEEPING BEAUTIES GET YOUR Z'S AT HOME. IF YOU WERE SMART  
YOU WOULD HAVE USED YOUR BOOK BAG AS A BLOCKADE.

GREASE UP THOSE ELBOWS, KNEES, AND ANKLES... YOU'LL NEVER KNOW  
WHEN THE ASH PATROL IS GOING TO GET YOU. (REMEMBER THE 1ST DAB  
OF LOTION IS FREE!)

## Words of Wisdom -

Life . . . A terminal illness

As you take your steps into the future  
remember that no one is promised  
tomorrow. Or, as they said in a  
stage play, you have one life  
and there is no return and no  
deposit.

Enjoy your life! Have no regrets, do not  
dwell in the past.

Best Wishes,  
Ms. Traniello
